Project Name	GAS LEAKAGE MONITORING AND ALERTING SYSTEM FOR INDUSTRIES
Team Members Name	DEEPAK RAJ M – TEAM LEAD ARUN KUMAR G KANNAN B KARTHICK V

The screenshot displays a Windows desktop environment. In the foreground, a Python IDLE Shell window (version 3.11.0) is open, showing the following text:

```
Python 3.11.0 (main, Oct 24 2022, 18:26:48) [MSC v.1933 64 bit (AMD64)] on win32
Type "help", "copyright", "credits" or "license()" for more information.
>>> print("Hello World")
Hello World
>>>
```

To the right of the IDLE window, a Windows Security notification is visible, titled "Sigstore". It lists several "CRT" (Code Signing Certificate) and "SIG" (Signature) entries. At the bottom of the screen, the Windows taskbar is visible, showing the search bar, task view button, and various application icons. The system tray on the right indicates a temperature of 25°C, volume, network status, and the date/time: 03:43 AM, 09-11-2022.
